Works—Panchayat Department.

220. Mr. T. A. Ramachandra Ayyar.—(a) Will the Government be pleased to state the items of works undertaken by the Panchayat Department in the years 1104, 1105 and 1106 for which no provision was made in the budget with the amount spent for each item?

Rama Varmha Tampuran.—A list containing the particulars is appended. (*Vide Appendix VI*).

Contract between Mr. Paul and the Malayalam Improvement Committee.

221. Mr. T. A. Ramachandra Ayyar.—Will the Government be pleased to state why the contract between Mr. Paul and the Malayalam Improvement Committee is kept confidential by the Government; are there other such documents which are kept confidential; if so, what are they?

Mr. I. N. Menon.—Since it was a private undertaking between the Committee and its publisher, Government thought no public purpose would be served by publishing the agreement.

None, so far as the Malayalam Improvement Committee is concerned.

Mr. T. A. Ramachandra Ayyar.—Why is the contract with Paul kept confidential? Government says that no public purpose will be served. So does it mean that it is confidential?

Rama Varmha Tampuran.—The word 'confidential' has several connotations. I do not know what the Hon'ble Member means.

Mr. T. A. Ramachandra Ayyar.—Once they said that since it is confidential, it will not be published. Now they say no public purpose will be served. So, is it because it is confidential or is it because no public purpose will be served that it is not published?

Rama Varmha Tampuran.—I cannot answer this question using the word confidential. I can answer only in the terms which the Government have used.

Mr. T. A. Ramachandra Ayyar.—What I mean is are there any other documents not regarding the Malayalam Improvement Committee, which are kept confidential by Government?

Rama Varmha Tampuran.—To what else is the Hon'ble Member referring?

Mr. T. A. Ramachandra Ayyar.—That the Government have understood my question is clear from the answer. May I know whether there are other contracts—not between the Malayalam Improvement Committee and Mr. Paul?

Remarks of the Assistant to the Protector dated 7th Meenam 1106.

Retransmitted.

I visited the Chalakkudi Colony on 7th Meenam 1106.

The Manager may be given the amounts for the vouchers No. 20 to 29.

Hereafter the Manager may be asked to submit T. A. bills with full particulars of his journeys.

As the Poultry farm is only in the experimental stage, nothing definite can be said about it. The farm is kept very neatly and well attended to.

As the medical relief problem has been stopped already, nothing need be started here at present.

APPENDIX V.

(Vide Answer to questian No. 219.)

Notes of visit to Chalakkudi Colony.

I visited the Colony at Chalakkudi on Friday, 3rd Makaram 1106, and inspected the various works carried out for the welfare of the colonies. From the items proposed for the current year, the following may be ordered to be temporarily suspended, pending further investigations as to their necessity and other details.

1. A well for the upper garden costing Rs. 100.
2. A drain through the hard laterite soil ,, 120
3. Improvements of Managers' quarters ,, 300.

As for the laterite work for the tank costing Rs. 250 for the current year, it has to be observed that the tank is found to be too small and insufficient for the use of colonies. The Manager may be asked to widen the tank as per instructions given by me. He may be asked to submit estimates for the work at once. The whole cost should not exceed the sanctioned sum of Rs. 250.

APPENDIX VI.

(Vide Answer to question No. 220.)
